## *Making Faces* *with Michael Ball*

**Saturday, June 23, 2007  
10:00 to 2:00 pm  
Lincoln Cultural Center  
Art Room  
Lincolnton, North Carolina**

**On Saturday, June 23, 2007, the Lincoln County Historical Association will present “Making Faces” with Catawba Valley potter Michael Ball. This program offers everyone from novice to professional an opportunity to put their own hand-sculpted face on various forms made by Ball.**

**Ball will be available to assist you with the application of crafting your own work of art. Upon completion, Ball will glaze the pieces in a traditional Catawba Valley alkaline glaze and fire them in his wood-fired groundhog kiln. The Association will hold a special reception at a later date, at which time they will display the pieces.**

**The cost for the various forms are included on the registration form. Reserve your jug and spot in the program by filling out and returning the enclosed registration form to the Lincoln County Historical Association by June 10, 2007.**
